Dear Neighbor,

While we all hope to never need emergency medical services, we want the reassurance that they will be there when it matters most. The Harrington Fire Company is committed to ensuring high-quality emergency care for the citizens of Harrington and surrounding areas. We are asking for your support in our 2025 annual ambulance subscription. **A contribution of \$75.00 or more covers you and everyone within your household**, providing emergency medical care and transport to local hospitals with no out-of-pocket costs. Your support ensures we can continue answering calls 24/7—whether on weekends or holidays. **By enrolling digitally with the QR code below, you can pay online and include each dependent within your membership.**

Our staff responds to over five emergency calls daily, serving one of the largest ambulance districts in the state. Maintaining this level of care requires extensive training, state-of-the-art equipment, and fully staffed ambulance crews. Your contribution directly supports these critical services, keeping our community safe and prepared. **The 2025 ambulance subscription begins April 1, 2025, or upon receipt of your payment, and runs through March 31, 2026.**

FREQUENTLY ASKED QUESTIONS

Q. How does the Subscription work?

A. All emergency transports are billed to your insurance company. As a subscriber, if your insurance company does not pay anything towards the bill, you will not be billed for any unpaid balances.

Q. Are non-emergency transports covered by my subscription?

A. Harrington EMS only provides emergency transport to the closest, most appropriate hospital.

Q. Do I still need a subscription if I have health insurance?

A. Yes. A subscription will ensure that you are not responsible for the balance of your bill. When medically necessary, ambulances are typically covered by insurance but there is a chance, after review of the claim by the insurance company, that the claim could be partially covered or denied. The subscriber would not be responsible for the balance in those cases.

Q. Who is covered by the Harrington EMS Subscription?

A. Anyone who is a permanent resident in your household.

Q. Why should I subscribe?

A. Most insurance providers only pay a portion of the charges for ambulance services; your subscription guarantees that you will not be responsible for all of the outstanding balance. Unpaid balances could be turned over to our collection agency.

Q. I have Medicare or Medicare HMO. Will a subscription benefit me?

A. If Medicare or Medicare HMO determines ambulance transportation was not medically necessary, the subscriber will not be responsible for the remaining portion of the transport.

Q. I received a check from my insurance company for services rendered. What should I do with it?

A. You MUST forward reimbursement received from your insurance company to the billing company.

Q. Is my subscription fee tax deductible?

A. NO, subscription fees are NOT tax deductible. Any additional donations you would make would be considered tax deductible.
